

NEOCONNECT[®] *at home*[™]

The NeoConnect[®] at Home[™] line of ENFit syringes is the first of its kind to be available over the counter (OTC) and FDA 510(k) cleared for reuse.

Why choose **NEOCONNECT**® *at home*™ ?

The NeoConnect® at home™ syringe line is ideal for patients in non-clinical and homecare settings.

Syringes may be hand washed and reused up to 20 times when cleaned per the cleaning instructions, allowing for a cost-effective and eco-friendly alternative to single use ENFit syringes.

Syringes are available over the counter (OTC), making ENFit syringe access hassle-free.

ENFit®

ENFit connectors help reduce the risk of enteral tubing misconnections and improve patient safety.

Syringes will be available for purchase through retail and online stores, DME's, and homecare companies.

OTC Reusable ENFit Syringes

- Four convenient sizes: 3 mL, 6 mL, 12 mL and 60 mL
- Clear barrel with easy-to-read black markings
- Designed with a durable polypropylene plunger and silicone O-ring gasket
